Penn Stater no room blocks for Fall games available yet.

BUILD training: if having trouble completing it go back to the last video and follow directions. Make sure all columns on the left say completed for each section. Sometimes it is better to use Edge or Safari instead of Google Chrome.

SalesForce: Alan Gibson is coordinating the rollout of the program. The organizers are asking the users for input on system design. If you have suggestions send them to Jennifer Barnhart, jnb148, especially designated superusers. Jennifer can forward suggestions to Alan. Questions about design and training are encouraged. January 24 Super user (Change Ambassador) meeting 9:00-12:00 noon at Tech Support Building or via zoom

Administrative Professional Series: 2 levels good training and lots of good topics, now it is all zoom meetings for sessions

In order to get credit for Linked In courses on your LRN transcript you must access Linked in thru the LRN portal. Once Linked in course is completed it should show up on your LRN transcript.

THON: email from a donor making a gift on behalf of another can cause emails to be attached to the original donor's record even though the gift was from another person. This happens frequently around THON donations especially when one person makes a gift on behalf of a group of donors.
