

Nichole Peters, Office of Gift Planning

Nichole began her Penn State career with a wage payroll position in The College of Arts and Architecture in the fall of 1998. In March of 1999, she began working in the Office of Planned Giving and Endowments, now known as the Office of Gift Planning, and has been there ever since.

She currently assists Pat Roenigk, Megan Burdelsky, Steve Blake, and Tony Simon, and is also backup to Terri Hewitt who handles stock gifts and wire transfers.

Nichole lives in Beech Creek with her husband Mike. They have a daughter MaKenzie who recently graduated from Penn State and is now pursuing her Masters while working full-time at The Meadows Psychiatric Center in Centre Hall. She also has a (step) son Ryan who is married and has two children, Waylon and (stepson) Konnor. Nichole and Mike enjoy camping in Morris, PA, every summer, and the Grange Fair every August
