MFA-New authenticator app is called Authenticator (Blue lock with image of person inside lock)
MFA is name of new authentication system.
Goto accounts.psu.edu to set up second option for authentication

Zoom will be good until 2026 when contract expires. <https://zoom.psu.edu/news/>

TEAMS vs zoom- need Microsoft account to email documents to others. Must have compatible program to use TEAMS and all features of Microsoft. Share point has many great features that can be shared and used during TEAM chats. Not as user friendly to outside constituencies as zoom.
