

Patti Wenrick, Development Assistant, University Libraries

Patti began her career at Penn State in high school and after briefly leaving to start her family, she returned in 2008 and now has almost 20 years of work experience at the University. Patti has worked in the most iconic buildings at University Park: The Nittany Lion Inn, Beaver Stadium, the Hintz Family Alumni Center, Old Main and now the Pattee Library and Paterno Library. Patti is dedicated to building our relationships with donors, alumni, and students and enjoys traveling, baking, crocheting, and spending time with her family. She visits her grandchildren in Topsail Island, North Carolina every chance she gets.
